THE LABELS

Our "Heritage Series" aromatic white wines feature native plants to eastern Washington. Born out of a love for our landscape and horticulture, these labels are a way to highlight the beauty of our rough, arid landscape which birthed these beautiful wines. The Sauvignon blanc features Arrowleaf balsamroot, While the plant itself has very little fragrance when it blooms the hills are rich with aromas of grass and herbaceous qualities we find in this bottle of wine. Likewise the colors - greens and yellows - seem to embody this wine perfectly.
