## *THE LABELS*

Our "Heritage Series" aromatic white wines feature native plants to eastern Washington. Born out of a love for our landscape and horticulture, these labels are a way to highlight the beauty of our rough, arid landscape which birthed these beautiful wines. The Albariño features Mock Orange, a native shrub that blooms pretty white flowers in the spring that smell like orange blossoms. This hardy, beautiful native plant is important for our eco-system and it's a perfect representation of the floral, aromatic Albariño.
