THE LABELS

Our "Heritage Series" aromatic white wines feature native plants to eastern Washington. Born out of a love for our landscape and horticulture, these labels are a way to highlight the beauty of our rough, arid landscape which birthed these beautiful wines. The Grenache blanc features the sagebrush mariposa lily (*Calochortus macrocarpus*). This delicate, beautiful lily has a short bloom time, so when you catch it, it feels like you've discovered something new and special, which reminds us of WA Grenache blanc.
