## *THE LABELS*

Our "Heritage Series" aromatic white wines feature native plants to eastern Washington. Born out of a love for our landscape and horticulture, these labels are a way to highlight the beauty of our rough, arid landscape which birthed these beautiful wines. The Chardonnay features Great Basin Wildrye, an unusually large bunch grass that's incredibly important to the west's ecosystem. This beautiful, hardy, grass turns brilliant shades of yellow when it dies and dries - the colors, importance, and beauty reminded us of a classic Washington Chardonnay.
