Winemakers Notes

Malbec from StoneTree Vineyard has graceful power with sweet tannins and bright, ripe fruit. For this wine, we selected two barrels out of the six that were produced to create our Reserve Malbec. The inky black color gives you a good indication of the weight and structure of this wine. Ripe black fruits such as blackberry and blueberry give way to hints of fresh figs and white lilies. On the palate, the wine is silky and velvety with flavors of dark chocolate covered blueberries that are lifted with a touch of minerality.
